

THE INCREDIBLE JOURNEY

By Amelia Ariss

He brushes
his teeth

eats his
breakfast

and gets
dressed

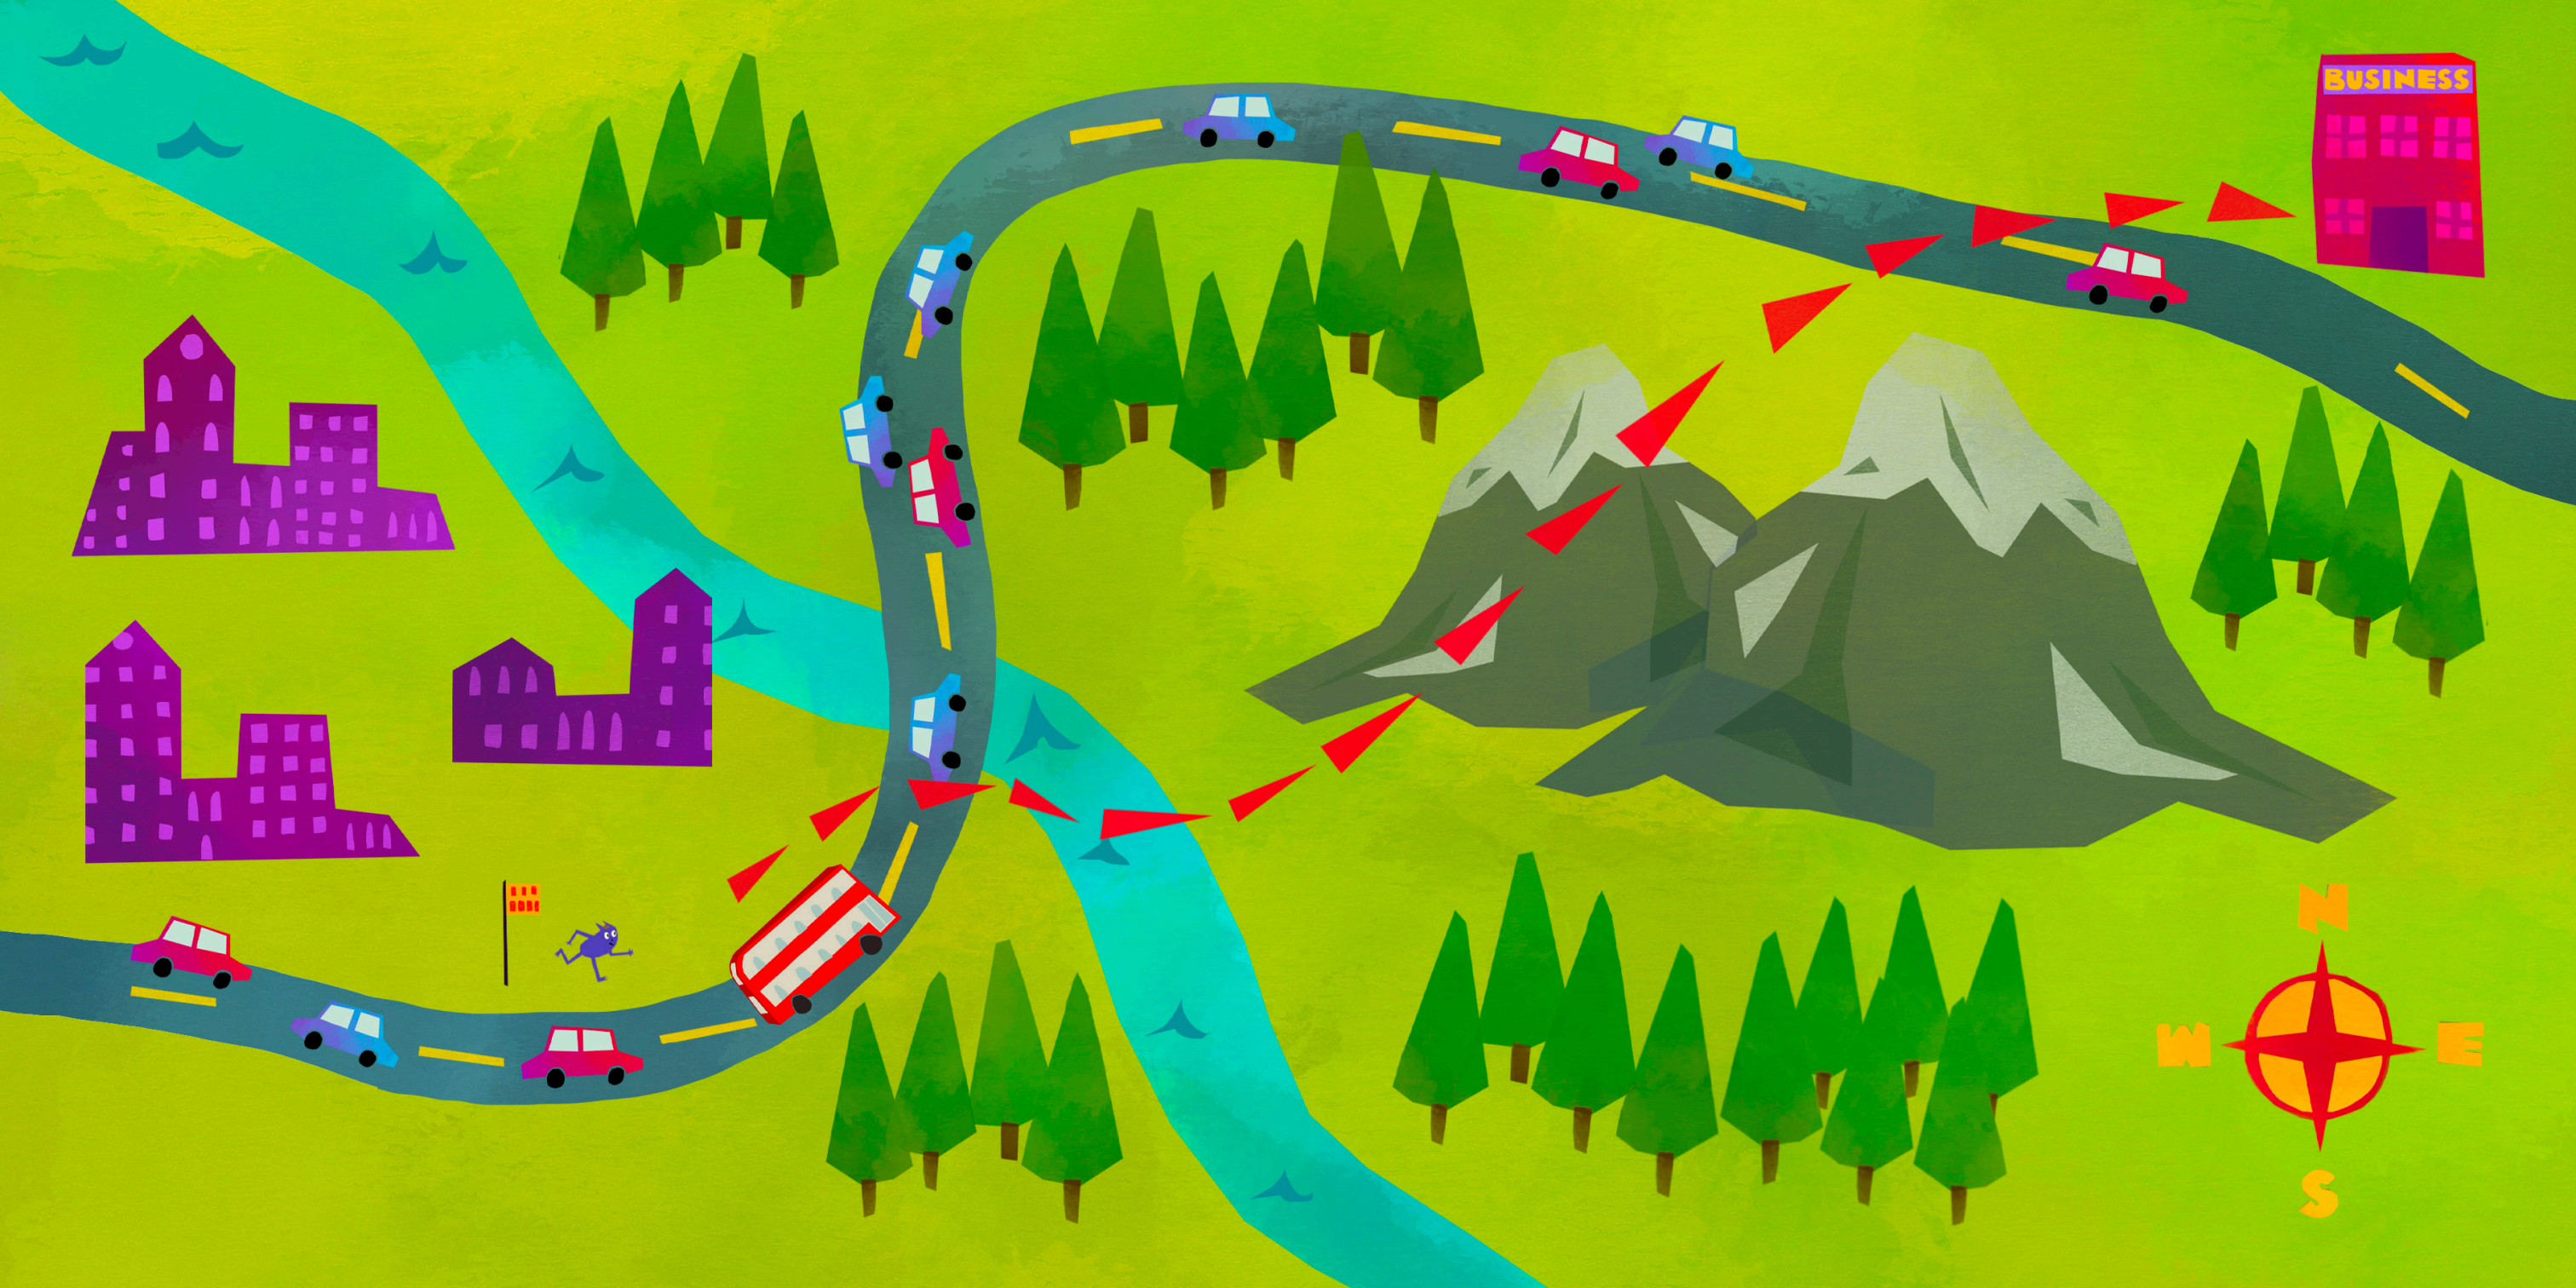

He leaves his house to catch the bus to work.

Oh no! He missed the bus.

He is going to have to walk.

There is too much traffic,
I can't get through!

I will help you,
hop on my back.

A river is blocking my path!

I will help you to get across.

Thank you Crocodile

A purple cat with a small brown hat is perched on a steep, brown, rocky cliff. The cat has a surprised expression with wide eyes and an open mouth. A large, bright yellow sun is partially visible at the top of the cliff.

This hill is far too
steep to walk down.

A small yellow bird with a black beak is perched on a ledge of the same brown cliff. It is looking towards the right.

I will help you!

Thank you

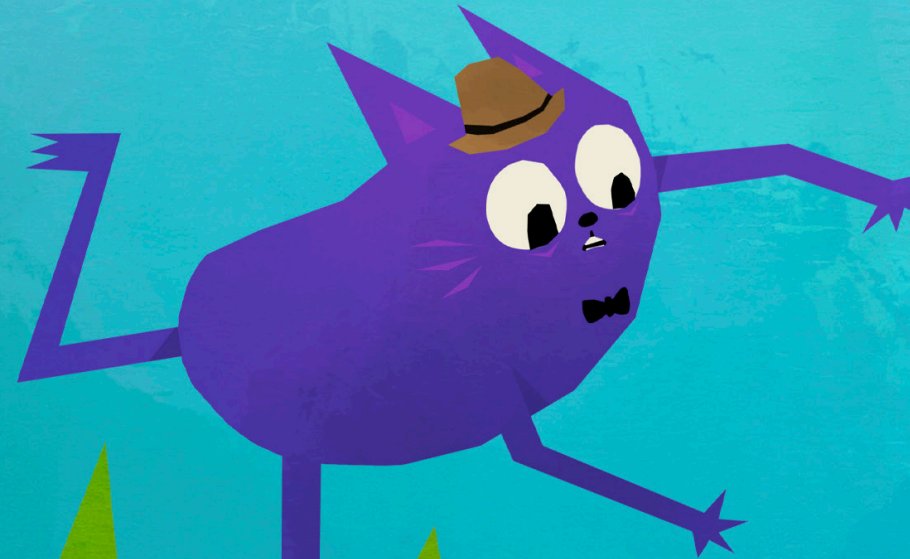

How am I supposed to get
over this fence?

I will help you!

Thank You

I am so tired,
how will I ever get to
work on time?

I will help you,
you can climb
on my back.

...thank you...

I still have so far to go...

We will all help you!

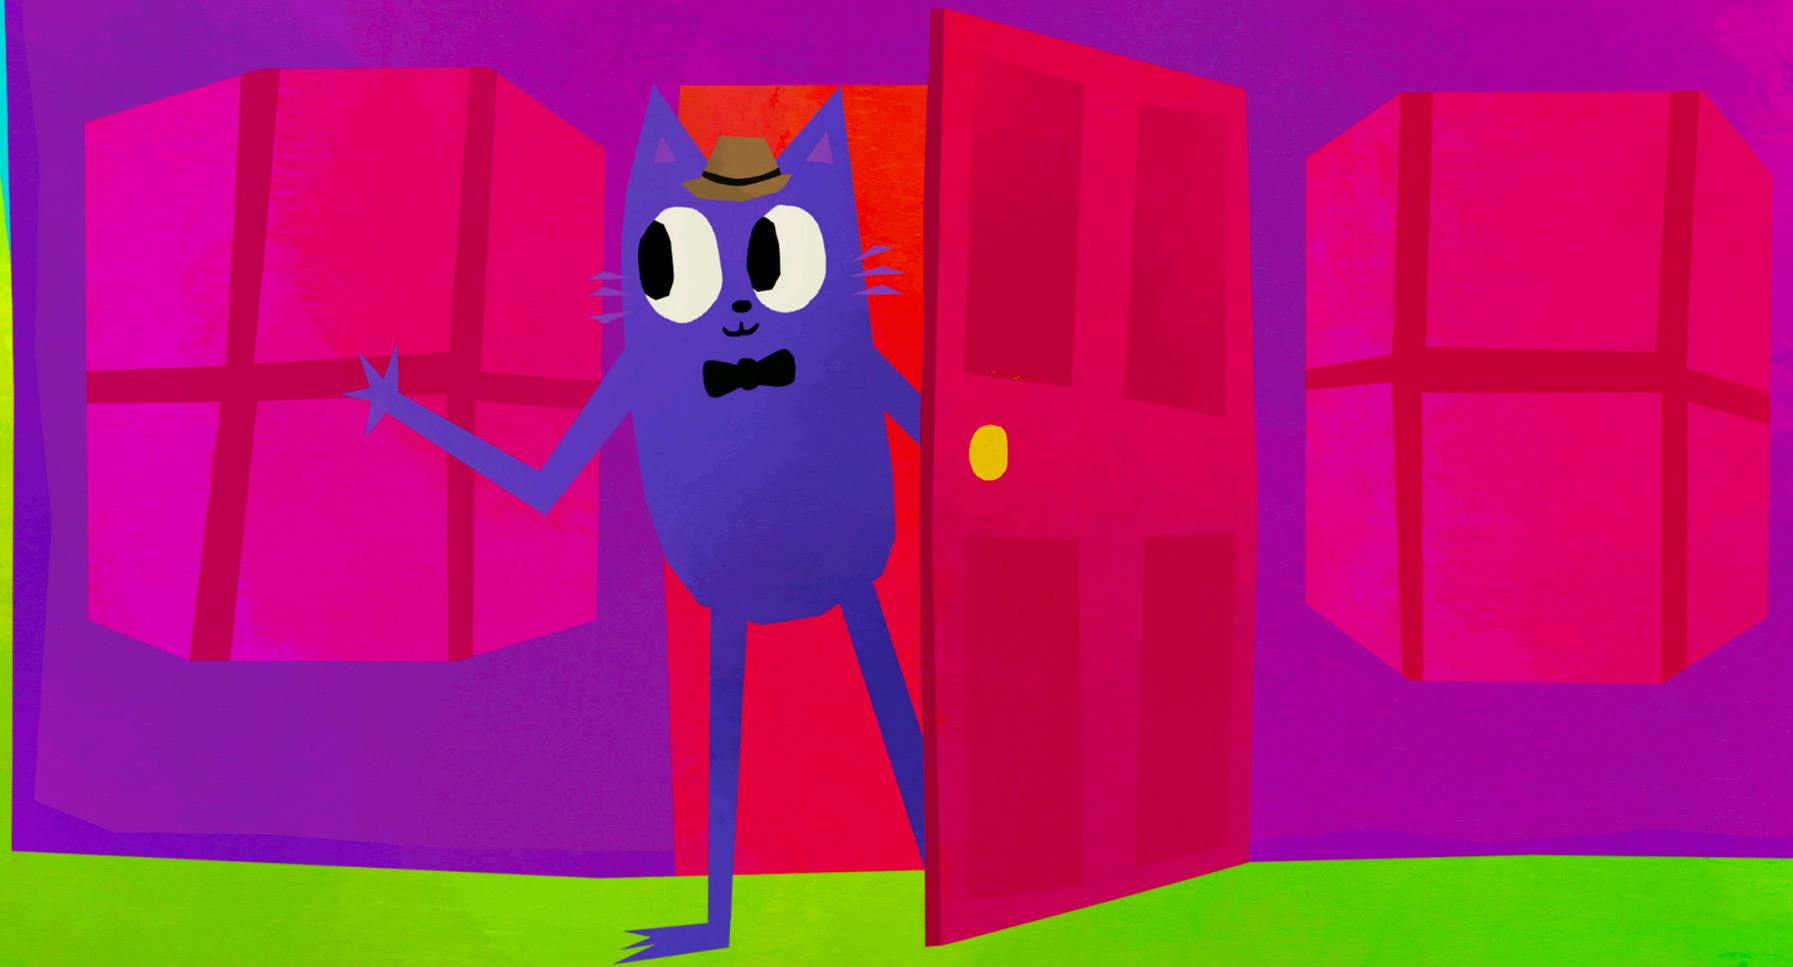

Thank you!

Goodbye!
